TOP SHELF STORY

For many years, **Perlick Top Shelf** underbar equipment has been the preferred choice of professional bartenders because they know properly designed bars and reliable equipment allow them to be creative, efficient, and most importantly, profitable. Top Shelf products reflect Perlick’s true passion for design, craftsmanship, and innovation. When you select any underbar equipment from the Perlick TS Series, you’ll find it lives up to its “Top Shelf” name and offers exceptional value. No matter if the shape of your bar is straight, curved, round, or square, Perlick’s underbar equipment is fabricated to match the contours of your bar and surpass your expectations.

TS SERIES

The Top Shelf heritage starts with our modular line of TS equipment that allows designers to showcase their creativity by designing extremely efficient work stations. TS series equipment has an overall depth of 18-9/16” and comes with a 6” high backsplash (4” high-optional). Sinks in the TS Series utilize backsplash-mounted water faucets.

TS SERIES

TSD SERIES

Except for the “deck” style backsplash, the TSD series of Top Shelf underbar is identical to the TS series. The “D” style backsplash has a flat deck added to the back of the equipment, which adds 5-7/16” to the overall depth. Sinks in the TSD Series utilize deck-mounted water faucets.

The deck serves multiple purposes. TS equipment with an optional speed rail has an overall depth of 24” which matches the overall depth of TSD equipment. This creates a flush equipment front surface to eliminate those dreaded “knee knockers.” The TSD series also moves the rear equipment legs away from the die wall, allowing clearance for beverage lines and plumbing. Finally, the Deck style backsplash is perfect for creating a beverage chase to easily route beverage lines behind and above the underbar equipment.

TSD SERIES

TSF SERIES

The Top Shelf “Full” depth series of underbar uses the same 6” high straight backsplash as the TS series. It creates a full 24” deep underbar by using larger depth work surfaces. The TSF series underbar increases the volume of ice chests and the useable work surface of drainboards by 34 percent. Just like the TSD series, the TSF series has the rear equipment legs away from the die wall to allow ample room for routing plumbing and mechanicals.

TSF SERIES

TSS SERIES

An abundance of Top Shelf modules can be configured to create a multitude of unique service stations. The TSS series uses a 3” flat deck to connect back-to-back underbar modules. These 38” deep factory assembled sections create a highly efficient station so your bartenders and servers can work as a team.

TSS SERIES

PTS SERIES

In addition to 38” deep service station modules, the PTS series offers pre-configured 32” deep pass-thru stations, which makes choosing the ultimate cocktail station a snap. PTS series stations are intended to be used in an open area of the bar and offer uninterrupted work surfaces for your bartenders and servers.

PTS SERIES

WHICH BAR IS RIGHT FOR YOU?

MODULAR BAR

If your project is new construction or a complete remodel and there is no existing bar or die wall, then a Perlick Modular Bar is your ultimate factory assembled solution to save both time and money.

The Modular Bar structure includes a heavy gauge frame that creates the die wall and the equipment supports for your underbar lineup. The complete bar interior from top to bottom is furnished in stainless steel to create a smooth finished appearance. All plumbing and electrical chases are built into the structure and removable bar front panels (supplied by others) provide easy, lift-off access to service utilities and beverage lines.

No matter if your bar is straight, round, or curved, every underbar module can be factory assembled in modular bar sections up to 8-1/2 ft. long. With a Perlick Modular Bar, you're assured that every piece of the puzzle fits.

FACTORY ASSEMBLED UNDERBAR*

When a bar die wall already exists or is being built by others, the Perlick factory can preassemble many of our underbar modules, per the bar drawing, into straight sections up to 8-1/2 ft. long. These straight sections eliminate field connections and save time. Preassembled sections that share a common front apron also share a common backsplash to give your bar a smooth, custom appearance. The factory determines the appropriate number of legs required for each preassembled section to give your bar the professional and uncluttered look you demand.

**Contact your Perlick representative to configure preassembled sections.*

FREESTANDING UNDERBAR

Freestanding underbar modules are built and shipped as individual pieces with their own backsplashes and front aprons. Each module ships with a complete set of legs. Freestanding units give you complete control to make last-minute design changes or respond to unforeseen obstacles at the job site.

WARNING: California Prop 65 Notice
These products may expose you to chemicals including Chromium, which are known to the state of California to cause cancer and birth defects or other reproductive harm. For more information on whether a product in this list contains these chemicals, please refer to the specific product page at perlick.com. Or to find out more about Prop 65, go to P65Warnings.ca.gov.

MODULAR BAR SYSTEM

Typical modular bar section
(Underbar equipment not shown.
Order separately)

Typical modular
bar void section

Easily finished with custom
millwork provided by others

MODULAR BAR FEATURES:

- Pre-engineered sections up to 8-1/2 ft. assure exact fit, eliminating on-site adjustments
- All metal construction conceals beverage and utility lines
- Interior finish panel is adjustable for sealing to the floor
- Set-in-place beverage line chase eliminates damage to insulated beverage lines
- Bar front panels are easily removed for quick access to all utilities and beverage lines
- Bar top and front panels can be prefabricated to reduce on-site millwork costs
- Faucets and drain sockets are factory installed
- Optional electrical outlets, fluorescent lights, and LED lights available

A MODULAR BAR SECTION IS PRICED USING MBS UNITS

STRAIGHT SECTIONS

- Each 6" length equals (1) MBS unit
- Example: 48" of Modular Bar structure equals (8) MBS units

CORNER SECTIONS

- 90° corner sections are priced using (8) MBS units
- 60° and 75° corner sections are priced using (4) MBS units
- 30° and 45° corner sections are priced using (2) MBS units
- 5°, 10°, 15°, 20° and 25° corner sections are priced using (1) MBS unit

TOBIN ELLIS SIGNATURE SERIES COCKTAIL STATION

PERLICK ICE VAULT LARGE FORMAT ICE MANAGEMENT SYSTEM

Designed by Tobin Ellis

Designed by Tobin Ellis to integrate into the Tobin Ellis Signature Series Perlick Cocktail Station, the station is designed to maximize speed and profitability for bartenders and bar owners. Rear vault compartment safely stores up to 48 large format cubes within reach of the bartender. VariChill™ adjustable temperature damper allows you to adjust the temperature in the front vault for storage of juices, spirits, vermouths, or any other bottled ingredient. Triple action lid allows for quick, no-look access to the rear freezer compartment. Slide back for quick access then lift to fold the lid back so it remains in the open position.

Part No.	Description	List Price
ISC12	Ice Vault	\$7,000.00

**Specify 4" backsplash (-4), 6" backsplash (-6), or Modular Die Wall (MB) model when placing order.*

WARNING: California Prop 65 Notice
See page 6 for details.

TOBIN ELLIS SIGNATURE SERIES DRAFT COCKTAIL SYSTEM

TOBIN ELLIS SIGNATURE SERIES DRAFT COCKTAIL SYSTEM COMPONENTS

- NSF-approved circulating pump maintains a thorough blend of beverage ingredients without over-agitating
- Programmable timer allows for intermittent mixing to precisely and automatically control circulation
- In-line mesh filter prevents pulp and other ingredients from entering pump
- Choose from 5- and 10-gallon circulating cocktail kegs or select from 5-gallon and 2.5-gallon standard non-circulating kegs for cocktails that do not require stirring

DRAFT COCKTAIL DISPENSING KITS

Order one kit for each keg being dispensed.
Circulating cocktail pump must be mounted outside of the direct draw cabinet.

Part No.	Description	List Price
KCTCDD-X	Tobin Ellis Direct Draw Cocktail Dispensing kit	\$900.00

KIT INCLUDES:

Part No.	Description
KCP-X	Circulating Cocktail Pump
KCPC	Pump parts bag including in-line filter and timer
	Gas and beverage tubing
	Mounting brackets and hardware for cocktail pump

*Circulating Cocktail Kegs ordered separately.

NON-CIRCULATING COCKTAIL KEGS

Part No.	Description	List Price
CC2.5NAT	2.5 gallon standard non-circulating keg	\$381.00

PERLICK SIGNATURE SERIES MOBILE BAR

Designed by Tobin Ellis

Perlick’s Signature Series Mobile Bars utilize the Tobin Ellis zero-step bartending cockpit design for efficiency, which means more drinks poured in less time, resulting in greater profits and less bartender fatigue. Easily move the bar anywhere inside or outside of your venue for design and operational flexibility. Utilize one or several units to create multiple cocktail stations.

All Perlick Signature Series Mobile Bars include:

- Tobin Ellis bartender cockpit for increased efficiency and revenue
- Laminate, stainless steel, or engineered solid surface bar top options
- Laminate exterior offered in multiple colors
- Locking 5” 304 stainless steel casters, for corrosion resistance, with polyurethane tread
- Lower storage area for glass racks, dry goods and canned or bottled beverages
- LED bartender task lighting for operating in the evening and low light settings
- Ice melt drainage tank

MOBILE TAP

PERLICK MOBILE TAP

Superior dispensing equipment paired with premium, commercial-grade refrigeration offers the ultimate combination for a durable and reliable system you can trust to deliver the perfect pour.

- Two-faucet draft arm dispenses the following combinations of beverages:
 - Nitro and cold brew coffee or wine
 - Beer and wine
 - Two varieties of wine
 - Two varieties of beer
- Kit includes a 24" refrigeration unit, two-faucet draft arm, all dispensing equipment, and casters for ease of mobility
- Forced-air refrigeration technology ensures consistent temperature throughout the entire keg and tower, maintaining flavor and minimizing foam
- Quick disconnect kegs included with HP24TS-2MNC
- Includes two low profile couplers (HP24TS-2MNC includes one coupler and two sets of quick disconnects with kegs)
- Large, easy-to-move casters offer flexibility to move the dispensing unit where needed, optimizing profits
- Locking refrigeration door prevents tampering with components and beverages inside the unit

Backsplash Cutout

Part No.	Description	List Price
7055-265A*	For soda lines	\$273.00

* Not applicable on TSD models or modular bar

Soda gun fillers are designed to mount Wunder-Bar® or Schroeder America™ 8-14 product soda gun manifolds and drip cups (not included). Manifolds mount to a universal interior side bracket to conceal soda lines. The drip cup mounts to the top cover, which is removable without tools for easy access and service. Soda gun fillers have no provisions for legs. Filler must be mounted to adjacent equipment. Soda gun, manifold, and drip cup are not included and shown for illustration purpose only.

PERLICK WINE COLUMN REFRIGERATION

HIGH CAPACITY, SMALL FOOTPRINT

Don't let limited square footage limit your wine list. By expanding up, you'll have plenty of space to create an impressive offering of fine vintages.

- **Precise temperature and dynamic humidity controls** ensure ideal conditions for proper maturation
- **Carbon air filtration** keeps air purified, free from damaging odors
- **Stainless interior** for maximum durability and restaurant-standard cleanliness
- **Triple-pane UV glass door** protects wine from light exposure that can cause oxidation
- **Environmentally friendly** hydrocarbon refrigeration system reduces your carbon footprint by up to 99%
- **84" tall 24" x 24"** footprint provides high capacity wine storage in a compact space
- **Single and Dual-Zone models available**
- **Programmable blue and white LED interior lighting** with slow fade effect for on and off setting

PerliQ – State-of-the-art digital touch screen provides precise control over all wine column functions.

Convertible Display Shelf – In display mode, it showcases your finest vintages. In standard flat mode, it maximizes storage capacity.

See page 77 for more information and pricing.

DISPENSING KITS FOR BACK BAR SERIES CABINETS

BEER DISPENSING KITS

Components included in beer dispensing kits are as follows:

- Dispensing Head
- Drainer
- Faucet(s)
- Air Distributor – 1 valve per faucet
- Beer Line Connector – 1 per faucet
- Air Hose – 1 per faucet
- Air Distributor Cover
- Beer Line/Drainer Cover
- Air Scoop and Tubing**
- Air Sleeve
- Spanner Wrench
- Drainer Tubing - 8 ft.
- Silicone
- Hardware and Fittings

Note: Keg coupler not included in beer dispensing kits; must order separately. Refer to the Perlick Tapping Price Book or perlick.com.

WINE DISPENSING KITS

Components included in wine dispensing kits are as follows:

- Dispensing Head*
- Drainer
- Faucets*
- Keg Coupler* – 1 per faucet
- Air Distributor – 1 valve per faucet
- Wine Line Connector* – 5 ft.,1 per faucet
- Air Hose – 1 per faucet
- Air Distributor Cover
- Wine Line/Drainer Cover
- Air Scoop and Tubing**
- Air Sleeve
- Spanner Wrench
- Drainer Tubing – 8 ft.
- Silicone
- Hardware and Fittings

**Indicates 304 stainless steel component*

LIGHTED MERCHANDISE DISPLAYS FOR CUSTOM SERIES CABINETS

All models are constructed of stainless steel with 4” deep acrylic tier inserts for illumination. Each unit has UL listed electrical components and super bright energy saving LED lights for long life (50,000 hours minimum). The option for the on/off switch and power cord to be located on the left or right allows for adjoining units to create longer displays. The raised 2 tier unit has an illuminated front panel for use with Perlick glass merchandise display units. Select models now available with blue LED lighting.

WINE COLUMN - SINGLE AND DUAL ZONE

CC24W-1-4R
(shown with stainless steel door overlay and door handle)

Wine Column Refrigerator, single or dual zone, glass overlay ready door, optional stainless steel sides, full extension wine shelves, one convertible display shelf, 4" toe kick, door lock included, R600A Isobutane refrigerant, triple pane, low-E, bronze tinted glass, right or left hinged. **Door overlay ordered separately.**

HIGH-CAPACITY, SMALL FOOTPRINT

Don't let limited square footage limit your wine list. By expanding up, you'll have plenty of space to create an impressive offering of fine vintages. Perlick's space efficient, climate controlled column refrigeration for wine takes advantage of available vertical space.

- 84" tall - 24" x 24" footprint provides high capacity wine storage in a compact space
- Factory set sensor maintains optimum humidity level
- Programmable blue and white LED interior lighting with slow fade effect for on and off setting

SINGLE ZONE (23-3/4" WIDE, 24-1/16" DEEP, 84" HIGH)

Part No.	Description	Net Capacity	Amps	List

CENTURY SYSTEM

When dispensed properly, draft beer will generate huge profits for the operator. Perlick knows more about profitable draft beer dispensing than anyone else in the industry because we pay attention to detail. That's why it pays to choose a Century Beer System. Century has been the choice of smart operators for more than 35 years.

The right pressure source, a properly-sized glycol chiller, and Century's unique trunk housing and dispensing heads combine to ensure that the Perlick Century Beer System will outperform any other long-draw beer system on the market today.

We're so sure you'll appreciate the difference that we guarantee your complete satisfaction. It's a guarantee you can count on, backed by Perlick's decades as the brewing industry leader.

DISPENSING HEADS

- Available in many different styles and finishes
- Tarnish-free polished brass never needs polishing
- From one to multiple faucets
- Factory-balanced restrictors control flow to guarantee solid beer
- Copper coolant lines and metal cold block maintain chilled beverage temperatures right to the faucet
- Insulated with polyurethane foam
- Optional shanks and faucets available

Please reference the Perlick Century System catalog for the full product offering.

CENTURY FACTORY ENGINEERED PERFORMANCE GUARANTEE

Century beverage systems offer superior tower construction, faucets, and cooling technology. Our systems are factory engineered, installed by a certified installer, and backed by a *Certified Century Performance Guarantee* ensuring customers receive the perfect pour from Perlick.

- 1. Limited Warranty.** Perlick warrants to buyer that:
- (a) Every Perlick Century System ("Century System") Factory Designed, Engineered, and Restricted, will ensure that beer
 - (i) is poured with a CO2 content as packaged by the brewer +/-0.2 vol/vol;
 - (ii) pours clear at a flow rate of 124 oz/min +/- 5 oz/min; or 2 oz/sec
 - (iii) pours at 38 degrees Fahrenheit, +/- 2 degrees when the cooler is maintained at a constant 36 degrees +/- 2 degrees Fahrenheit
 - (iv) produces a 3/4" to 1" foam head when poured in a manner consistent with Brewers Association best practices using Beer Clean Glassware (BCG as defined below), will (collectively, **"Specifications"**).
 - (b) For a period of one (1) year from the date of installation of the Century System (the **"Warranty Period"**), the Century System will materially conform to the specifications as of the date of installation and will be free from significant defects in material and workmanship.
 - (c) For a period of one (1) year from the date of installation, any defective part of a Century System will be replaced at no charge to buyer, FOB Perlick's factory.
 - (d) For a period of one (1) year from the date of installation, Perlick will pay for the cost of any labor required to repair or replace any defective Century System at standard rate.
- 2. Warranty Limitations.** The warranties under Section 1 do not apply where the Century System has:
- (a) Been installed by anyone other than the Certified Perlick Installer, per Perlick's quotation.
 - (b) Been subjected to abuse, misuse, neglect, negligence, accident, improper maintenance, improper storage, improper handling, abnormal physical stress, abnormal environmental conditions or use contrary to any instructions issued by Perlick or the Certified Perlick Installer, including without limitation, failure to maintain the Century System according to industry standards including proper line cleaning and Power Pak condenser cleaning; and seasonal shut downs and startups per Perlick specifications.
 - (c) Been reconstructed, serviced, repaired, or altered by anyone other than the original Certified Perlick Installer; or
 - (d) Been used with any third-party product, hardware or product that has not been previously approved in writing by Perlick.
- 3. Brewers Association Best Practices.** For purposes of this Performance Guarantee, Brewers Association best practices for pouring beer are as follows:
- (a) Place standard beer-clean pint glass free of visible soil, marks, and foam killing residues or lingering aromatics glass at 45° angle, one inch below faucet. Glassware temperature should be 41 degrees Fahrenheit +/- 3 degrees
 - (b) Do not let glass touch faucet. Open faucet.

TERMS AND CONDITIONS OF SALE

Please read these Terms and Conditions of Sale (these “*Terms*”) carefully. These Terms materially affect the parties’ obligations. Perlick Corporation, a Wisconsin corporation (“*Seller*”) is bargaining for and will do business with Buyer (as defined below), as it relates to the matters contained in this Agreement (as defined below), only pursuant to these Terms. Seller’s acceptance of orders for the purchase of any goods or services (together, the “*Offerings*”) is expressly subject to and conditioned on the buyer of the Offerings (“*Buyer*”) agreeing to these Terms.

1. **ACCEPTANCE; CONTRARY TERMS; ENTIRE AGREEMENT.** All orders for Offerings are subject to Seller’s acceptance of such order at its office. Any price quotation referencing these Terms expires if not accepted by Buyer within fifteen (15) days after the date of the quotation, unless otherwise stated by Seller in such quotation. Buyer’s order is accepted only pursuant to these Terms. The provisions of any purchase order or other writing inconsistent with these Terms will not constitute a part of the contract of sale. Seller’s acceptance of any order for the Offerings is conditional on Buyer’s agreement to these Terms. If any of these Terms are not acceptable to Buyer, Buyer shall promptly notify Seller thereof. If Seller does not receive Buyer’s written objection to these Terms within ten (10) days after Buyer receives the document referencing these Terms from Seller, or if Buyer accepts delivery of any Offerings, these Terms shall be deemed irrevocably accepted in their entirety by Buyer. Seller’s failure to object to provisions contained in any purchase order or communication from Buyer shall not be construed as an acceptance of any such provision or as a waiver of any term of these Terms. WITHOUT LIMITING THE FOREGOING, SELLER HEREBY EXPRESSLY OBJECTS TO ALL TERMS THAT ARE ADDITIONAL OR CONTRADICTORY TO THESE TERMS, REGARDLESS OF WHETHER SUCH TERMS ARE SPECIFIED IN ANY OTHER EMAIL, ACKNOWLEDGEMENT, PURCHASE ORDER, CONFIRMATION, OR OTHER DOCUMENT SUPPLIED BY BUYER, INCLUDING WITHOUT LIMITATION THOSE TERMS AND CONDITIONS REGARDING WARRANTY AND INDEMNITY. NO ADDITIONAL OR CONTRADICTORY TERMS WILL BE EFFECTIVE UNLESS EXPRESSLY AGREED TO IN A WRITING HAND-SIGNED BY SELLER. UPON BUYER’S RECEIPT OF AN ORDER ACKNOWLEDGEMENT FROM SELLER, BUYER’S ORDER WILL BE NON-CANCELLABLE BY BUYER UNLESS SELLER CONSENTS THERETO IN A WRITING HAND-SIGNED BY SELLER. NO ONLINE OR ELECTRONIC TERMS OR CONDITIONS OF BUYER WILL BE BINDING ON SELLER EVEN THOUGH SUCH TERMS WERE “ACCEPTED” IN ORDER TO ACCESS OR USE A SYSTEM. These Terms, together with the email, price quotation, order acknowledgement, or other similar form issued by Seller and referencing or relating to these Terms (together, this “*Agreement*”) is intended by the parties to be the final expression of their agreement and are intended also as a complete and exclusive statement of the terms and conditions of the matters thereof and hereof.
2. **CHANGES; CANCELLATIONS.** Requests by Buyer for cancellation, termination, modification, suspension, or delay in shipment of Buyer’s order are subject to acceptance or rejection by Seller in its sole discretion. Such requests will not be accepted on terms that do not fully indemnify and reimburse Seller against any loss associated therewith. Such indemnity must include recovery of all costs incurred, including normal indirect and overhead charges, and a normal profit. Seller generally will not approve any change to an order proposed by Buyer less than forty-five (45) days prior to shipment. Seller may cancel any Order in accordance with Section 20.
3. **SAFETY CHANGES.** Seller reserves the right to make safety changes without Buyer approval to address any actual or potential safety defect in any Offerings or changes in governmental regulations or standards. Seller shall provide notice to Buyer of any material change at the time of change and the parties shall confer and mutually agree upon any specifications changes to address any such issue.
4. **PRICES.** Unless Seller specifically agrees to hold prices open for a length of time on Seller’s price quotation, all prices are subject to change without notice to Buyer and any unshipped balances on purchase orders will be invoiced to and paid by Buyer at Seller’s prices in effect at the time of delivery. All prices are exclusive of freight, shipping, drayage, boxing, and crating charges, both to and from Seller’s facility, and all such charges are the responsibility of, and will be paid by, Buyer. Unless otherwise specified in this Agreement, prices stated in this Agreement do not include any manufacturers, sales, use, or excise taxes, charges or duties, or any other tax, fee, or charge of any nature whatsoever imposed by any governmental authority on or measured by any transaction between Seller and Buyer, and Buyer shall pay all such amounts. In the event Seller is required to pay any of the foregoing amounts, Buyer shall reimburse Seller therefor. Prices may be increased by any increase in any of the foregoing amounts, as well as any increase in tariffs, duties, or other similar amounts, regardless of whether any such amounts were included in quoted prices. Prices stated in this Agreement may not include travel or other out-of-pocket expenses incurred by Seller in connection with the performance or delivery of the Offerings, and Buyer shall reimburse Seller for all such expenses. Seller makes no warranty with respect to price, including without limitation as to the prices charged by Seller to other buyers, and the terms of such sales. In the event Buyer purchases any Offerings consisting of finished goods, Buyer shall comply with Seller’s Minimum Advertised Price Policy and Seller’s Electronic Minimum Resale Price Policy, in each case as may be amended from time to time, each of which may be found on Seller’s website and are hereby incorporated by reference.
5. **PAYMENT.** All payments are due in accordance with the payment terms agreed upon in writing between Buyer and Seller. If no such payment terms have been agreed upon, all payments are due in full net 30 days from the date of Seller’s invoice. Seller reserves the right to require full cash payment in advance or at the time of delivery whenever Seller, in its sole discretion, develops doubt as to Buyer’s financial responsibility; Seller will not in such event be liable for non-performance. Buyer shall incur a service charge if Seller receives payment after the due date, calculated as follows: one and one-half percent (1.5%) of the invoice amount if Seller receives the payment between one (1) and thirty (30) days after the due date; three percent (3%) if Seller receives the payment between thirty-one (31) and sixty (60) days after due date; and so on. In addition to all other remedies available under this Agreement or at law (which Seller does not waive by the exercise of any rights hereunder), Seller may suspend the delivery or performance of any Offerings if Buyer fails to pay any amounts when due and such failure continues for ten (10) days following such due date.

Technical Service email (Partstown): servicedept@perlick.com
Warranty Claim Submissions (Perlick): techsupport@perlick.com

- (c) After glass is half full, gradually bring glass to upright position.
- (d) Let remaining beer run straight down the middle. This ensures proper release of CO2, resulting in a 3/4” to 1” foam head.
- (e) Close the faucet completely and quickly.
4. **Buyer’s exclusive remedy for defective Century System.** This Performance Guarantee contains buyer’s exclusive remedy for defective Century System performance. Buyer’s remedy under this Performance Guarantee is conditioned upon buyer’s compliance with its obligations under section 4(a) and 4(b) below. During the warranty period, with respect to any alleged defective performance of the Century System:

(a) Buyer shall notify Perlick, in writing, of any alleged claim or defect within 10 business days from the date buyer discovers, or upon reasonable inspection should have discovered, such alleged claim or defect (but in any event before the expiration of the applicable warranty period)

(b) Buyer shall make the Century System available for inspection and testing by Perlick

(c) If Perlick’s inspection and testing reveals, to Perlick’s reasonable satisfaction, that such Century System is defective, and any such defect has not been caused by or contributed to by any of the factors described under Section 2, Perlick shall in its sole discretion, and at its expense:

(i) repair or replace such Century System

(ii) credit or refund the price of such Century System, less any applicable discounts, rebates or credits; and

(d) Buyer has no right to return for repair, replacement, credit, or refund any Century System except as set forth in this paragraph. In no event shall buyer reconstruct, repair, alter, or replace any Century System, in whole or in part, either itself or by or through any third party, or this performance guarantee shall be void and not in effect.

(e) THIS PERFORMANCE GUARANTEE SETS FORTH THE BUYER’S SOLE AND EXCLUSIVE REMEDY AND PERLICK’S ENTIRE LIABILITY FOR ANY BREACH OF THE LIMITED WARRANTY SET FORTH IN SECTION 1.
5. **Disclaimer.** EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH IN Section 1, PERLICK MAKES NO WARRANTY WHATSOEVER WITH RESPECT TO THE CENTURY SYSTEM, INCLUDING ANY

(a) WARRANTY OF MERCHANTABILITY;

(b) WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE

(c) WARRANTY AGAINST INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY; WHETHER ARISING BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE, OR OTHERWISE.
6. **No Liability for Consequential or Indirect Damages.** NEITHER PERLICK NOR ITS REPRESENTATIVES IS LIABLE FOR CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE OR ENHANCED DAMAGES, LOST PROF ITS OR REVENUES OR DIMINUTION IN VALUE, ARISING OUT OF OR RELATING TO ANY BREACH OF THIS PERFORMANCE GUARANTY OR BREACH OF WARRANTY, REGARDLESS OF

(a) WHETHER SUCH DAMAGES WERE FORESEEABLE

(b) WHETHER OR NOT PERLICK WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND

(c) THE LEGAL OR EQUITABLE THEORY (CONTRACT, TORT, OR OTHERWISE) UPON WHICH THE CLAIM IS BASED, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE.

6. **SHIPMENT; RISK OF LOSS.** Unless otherwise specified in this Agreement, all shipments are F.O.B. Origin. Risk of loss will pass to Buyer at the time an Offering is loaded and the carrier signs the bill of lading or departs any Seller or partner shipping dock. All shipments shall be governed by Seller’s Damage and Claims Policy in effect at the time of such shipment. Seller assumes no responsibility in connection with the shipment of the Offerings to Buyer. Title to goods that comprise the Offerings will remain with Seller until Seller receives full payment therefor. Shipping dates on any purchase order or material release order are estimates only. Seller will use reasonable efforts to meet the estimated shipping date, subject to Buyer’s prompt provision of all necessary, complete and correct specifications, information and data, but Seller may not be held responsible for failure to meet such estimated date. If Buyer requires special production service for unusual shipments, an additional charge may be imposed, as agreed upon by the parties. With respect to any goods included in the Offerings, if Seller delivers up to ten percent (10%) more or less than the quantity ordered by Buyer, Buyer shall accept such delivery and pay for such excess quantities.
7. **CERTAIN BUYER OBLIGATIONS.** Buyer shall (a) cooperate with Seller in all matters relating to the Offerings and provide access to Buyer’s premises, and to such office accommodations and other facilities as Seller requests for the purpose of performing or delivering any of the Offerings; (b) respond promptly to any Seller request to provide direction, information, approvals, authorizations, or decisions that Seller deems necessary in order to complete and provide the Offerings in accordance with this Agreement; and (c) provide in a timely manner such customer materials or information that Seller requests in order to complete and provide the Offerings, and Buyer shall ensure that such customer materials and information are complete and accurate in all respects.
8. **COMPLIANCE WITH LAWS.** Buyer shall comply with all applicable federal, state and local laws, regulations, orders, and ordinances. Buyer represents and warrants that Buyer is and shall at all times remain in compliance with all laws administered by the U.S. Treasury Office of Foreign Assets Control or any other governmental entity imposing economic sanctions and trade embargoes (“*Economic Sanctions Laws*”) against designated countries, entities, and persons (“*Embargoed Targets*”). Buyer is not an Embargoed Target or subject to any Economic Sanctions Law, and Buyer shall not (a) directly or indirectly export, re-export, transship, or otherwise deliver Offerings or any portion of Offerings to an Embargoed Target, or (b) broker, finance, or otherwise facilitate any transaction in violation of any Economic Sanctions Law.
9. **PRODUCT RECALLS.** Seller shall reimburse Buyer for the reasonable and documented out-of-pocket costs and expenses incurred by Buyer in connection with any recall, repair, replacement or refund program which is caused by Seller’s gross negligence, intentional misconduct, or breach of the limited warranties set forth in Section 10, and which is (a) deemed necessary by Seller and Buyer or (b) is mandated by an order of a governmental agency to correct a manufacturing defect affecting the safety of the Offerings sold after notification by either party to such governmental agency; provided, that Seller shall not be responsible for reimbursing Buyer for any costs and expenses incurred by Buyer if such recall, repair, replacement or refund program relates to any deficiency or deviation, material part change, or part, sub-systems, software, product, packaging or service designs, trade dress, appearance or features in the Offerings provided or specified by Buyer. In the event a recall, repair, replacement or refund program is required, (i) Buyer shall fully cooperate with Seller, at Seller’s request, in the implementation and administration of any program of recall, repair, replacement or refund, and (ii) Buyer shall furnish to Seller such records regarding any program of recall, repair, replacement or refund as Seller shall reasonably request. Buyer shall notify Seller in a timely manner of any condition known to it that may affect the safety of the Offerings, and Buyer shall consult with Seller about any such condition prior to notifying any governmental agency. In no event shall reimbursement under this Section of reasonable and documented out-of-pocket costs include any amounts for lost profits or business goodwill or any other special, consequential, punitive or indirect damages. Nothing in this Agreement shall constitute a waiver or limitation by Seller of any constitutional, statutory, or other right to administrative or judicial review of any request, demand, or order of any governmental agency or body.
10. **LIMITED WARRANTY.** Seller warrants that at the time of shipment of goods or performance of services the Offerings will be free from material defects in materials and workmanship. The warranty expressly provided herein may only be asserted by Buyer and may not be asserted by Buyer’s customers or other users or beneficiaries of the Offerings. THIS LIMITED WARRANTY IS EXCLUSIVE AND IS IN LIEU OF ANY OTHER WARRANTY. OTHER THAN THE FOREGOING WARRANTY, SELLER HEREBY DISCLAIMS ALL WARRANTIES WITH RESPECT TO THE OFFERINGS (WHETHER GOODS OR SERVICES) INCLUDING ANY WARRANTY OF FITNESS FOR PARTICULAR PURPOSE, TITLE, MERCHANTABILITY, AND AGAINST INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY, WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE, OR OTHERWISE. NO PERSON IS AUTHORIZED TO GIVE ANY OTHER WARRANTIES ON BEHALF OF SELLER OTHER THAN THOSE EXPRESSLY STATED HEREIN.

Products manufactured by a third party (“*Third Party Product*”) may constitute, contain, be contained in, incorporated into, attached to, or packaged together with the Offerings. Third Party Products are not covered by the limited warranty set forth in this Section. For the avoidance of doubt, SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO ANY THIRD PARTY PRODUCT, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, OR AGAINST INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY, WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE, OR OTHERWISE.

11. **LIMITATION OF REMEDIES AND DAMAGES.** All claims for shipping error or freight damage must be in writing and must be made in accordance with Seller’s Damage and Claims Policy in effect at the time of such shipment, and must specify the quantity and condition of the Offering that was received by Buyer; failure to make any such claims within such time will be deemed to constitute Buyer’s irrevocable waiver of any such claims. Seller reserves the right to accept or reject any such claim in whole or in part. If Buyer believes that any goods delivered as part of the Offerings are defective, Buyer shall notify Seller of the same in writing within thirty (30) days of Buyer’s receipt thereof, and Buyer shall, at Buyer’s sole cost and expense, return such Offerings to Seller within ten (10) days of Seller’s written return material authorization (“*RMA*”) for such return. Buyer may not return any Offerings without Seller’s express written preauthorization in an RMA. Seller’s liability and Buyer’s sole and exclusive remedy hereunder will be limited to repair, replacement, or credit, at Seller’s option, with respect to any Offerings that Seller determines in its sole discretion is actually defective. Seller will not be liable for a breach of warranty if (a) the defect arises because Buyer fails to follow Seller’s oral or written instructions as to the storage, installation, commissioning, use, or maintenance of the Offering, (b) Buyer alters or repairs the Offering without the prior written consent of Seller, or (c) the Offering becomes defective or inoperative due to normal use, accident, misapplication, abuse, or misuse. SELLER WILL NOT BE LIABLE UNDER ANY CIRCUMSTANCES FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE, EXEMPLARY, OR SPECIAL DAMAGES, INCLUDING WITHOUT LIMITATION

ANY LOST PROFITS, COSTS OF SUBSTITUTE GOODS AND SERVICES, MACHINE WORK OR LABOR COSTS, ARISING FROM THE SALE, USE, OR INSTALLATION OF THE OFFERINGS, FROM OFFERINGS BEING INCORPORATED INTO OR BECOMING A COMPONENT OF ANOTHER GOOD, OR FROM ANY OTHER CAUSE WHATSOEVER, WHETHER BASED ON WARRANTY (EXPRESSED OR IMPLIED) OR OTHERWISE BASED ON CONTRACT, TORT, OR ANY OTHER THEORY OF LIABILITY, AND REGARDLESS OF ANY ADVICE OR REPRESENTATIONS THAT MAY HAVE BEEN RENDERED BY SELLER CONCERNING THE SALE, USE, OR INSTALLATION OF THE OFFERINGS, EVEN IF SELLER IS AWARE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL SELLER’S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT EXCEED THE TOTAL AMOUNTS PAID TO SELLER BY BUYER FOR THE OFFERINGS WITHIN THE THREE (3) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO BUYER’S CLAIM. THE LIMITATIONS SET FORTH HEREIN SHALL BE VALID AND ENFORCEABLE NOTWITHSTANDING A FAILURE OF ESSENTIAL PURPOSE OF THE LIMITED REMEDY SET FORTH HEREIN.

12. **INTELLECTUAL PROPERTY OWNERSHIP.** All intellectual property rights, including copyrights, patents, patent disclosures, inventions (whether patentable or not), trade dress, trade names, logos, corporate names, domain names, trademarks, service marks, trade secrets, know-how, and/or other confidential information, together with all derivative works and all goodwill associated therewith, and all other rights in and to all the Offerings, documents, work product, and other materials (whether or not copyrightable) that are delivered to Buyer under this Agreement or prepared by or on behalf of Seller in the course of performing under this Agreement, shall be exclusively owned or otherwise licensed by Seller. Except as otherwise expressly and specifically provided, no license, transfer, or assignment of proprietary rights from Seller to Buyer will occur as a result of this Agreement or any order. Buyer warrants that any trademarks Buyer requests Seller to affix to any Offering is owned or authorized for use by Buyer. Buyer shall not contest, or assist others in contesting, the validity or ownership of Seller’s intellectual property.
13. **TOOLS.** All dies, tools, patterns and the like involved in the manufacture of the Offerings are and will remain the property of Seller, except that any dies, tools, patterns and the like specifically ordered and paid for by Buyer (“*Buyer Tooling*”) will remain the property of Buyer. Seller will return any Buyer Tooling to Buyer upon request after all amounts owed to Seller have been paid in full; provided, however, that if Buyer does not request in writing and accept delivery of the Buyer Tooling within thirty (30) days following the earlier of (a) the expiration or termination of this Agreement, (b) the conclusion of the project requiring the use of the Buyer Tooling, or (c) Seller’s written request, then Seller shall thereafter own the Buyer Tooling and may use or dispose of the Buyer Tooling in Seller’s sole discretion, and all of Buyer’s rights in and to the Buyer Tooling shall cease and be of no further effect. Buyer is responsible for insuring all Buyer Tooling.
14. **INDEMNITY.** Buyer shall indemnify, defend, and hold Seller, its affiliates, and its and their respective directors, officers, employees, representatives, agents, customers, users, successors, and assigns harmless against all claims, damages, losses, liabilities, costs, and expenses, including all attorneys’ fees, paid or incurred by Seller in connection with any claim whatsoever, including without limitation any claim of infringement of a patent, copyright, trademark, trade secret, or other proprietary right, and claims of product liability, personal injury, property damage, and product defect, which arises out of or is related to Buyer’s or its direct or indirect customers’ use of the Offerings, negligence, willful misconduct, violation or breach of any term of this Agreement, fraud, or violation of law, or from Buyer’s specifications for the Offerings.
15. **PRODUCTION LOCATION.** Seller reserves the right to produce any order at any of its manufacturing locations unless a separate written agreement is in place between Buyer and Seller specifying a single production location.
16. **SECURITY INTEREST.** Buyer hereby grants to Seller and Seller hereby retains a lien on and a security interest in and to all of the right, title, and interest of Buyer in, to, and under the Offerings and accessories and additions thereto sold by Seller to Buyer, wherever located, whether now existing or hereafter acquired, all spare parts and components therefor, and all proceeds of the sale or other disposition including, without limitation, cash, accounts, contract rights, instruments, and chattel paper. If requested by Seller, Buyer shall execute one or more financing statements pursuant to the Uniform Commercial Code in a form satisfactory to Seller. In the event Buyer is in default under this Agreement, Seller will have the remedies of a secured party under applicable law, including without limitation the Uniform Commercial Code, and Seller may thereupon enter the premises of Buyer and remove and repossess all Offerings. The security interest granted under this Section constitutes a purchase money security interest under applicable law.
17. **SETOFF.** Seller may set off any amount due from Buyer, whether or not under this Agreement, against any amount due Buyer hereunder. Buyer may not set off any amount due from Seller, whether or not under this Agreement, against any amount due Seller hereunder without Seller’s prior written consent.
18. **CONFIDENTIALITY.** All non-public, confidential or proprietary information of Seller and Seller’s affiliates, customers, and suppliers, including without limitation specifications, samples, patterns, designs, plans, drawings, documents, data, business operations, customer lists, pricing, discounts, or rebates disclosed by Seller to Buyer, whether disclosed orally or disclosed or accessed in written, electronic or other form or media, and whether or not marked, designated, or otherwise identified as “confidential,” in connection with this Agreement is confidential, solely for the use of performing this Agreement, and may not be disclosed or copied unless authorized by Seller in writing. Upon Seller’s request, Buyer shall promptly return all documents and other materials received from Seller. Seller is entitled to injunctive relief for any violation of this Section without the necessity of proving the existence, amount, or insufficiency of damages or posting bond. This Section does not apply to information that is lawfully obtained by Buyer on a non-confidential basis from a third party without confidentiality obligations with regards to such information.
19. **SOLICITATION OF PERSONNEL.** For so long as there is any order for Offerings in effect between Buyer and Seller and for twelve (12) months thereafter, Buyer shall not solicit for employment any employee or contractor of Seller. Seller is not to be restricted from soliciting any employee, contractor, or customer of Buyer.
20. **TERMINATION.** In addition to any remedies that may be provided under these Terms or applicable law, Seller may terminate this Agreement or any Order, in whole or in part, without liability and with immediate effect upon notice to Buyer for any reason or no reason at all, including without limitation if Buyer (a) fails to pay any amount when due under this Agreement, (b) has not otherwise performed or complied with any term of this

Agreement, in whole or in part, or (c) becomes insolvent, files a petition for bankruptcy, or commences or has commenced against it proceedings relating to bankruptcy, receivership, reorganization, or assignment for the benefit of creditors.

21. **SURVIVAL.** The parties’ rights and obligations, which by their nature would continue beyond the expiration or termination of this Agreement, including but not limited to those regarding indemnification, compliance with laws, warranties, limitations on liability, confidentiality, and non-solicitation of employees, will survive any termination or expiration of this Agreement.
22. **EXCUSE FROM PERFORMANCE.** Seller shall not be liable for any costs, expenses, or damages of any nature (whether general, consequential, incidental, punitive, liquidated, or otherwise) if performance or delivery of any Offering is rendered impracticable by any accident, breakdown, sabotage, riot, insurrection, war, delay, interruption in or failure of sources or subcontractors to supply materials and equipment, strike, labor or transportation problem, act of God, or other cause or condition, whether of like or different nature, that is beyond Seller’s reasonable control, or orders, contracts, priorities, directives, requisitions or requests of the federal or state governments, whether or not voluntarily assumed. If any such event renders Seller’s delivery or performance of any Offering impracticable, at Seller’s option, (a) the date of delivery or performance shall be extended for a period equal to the time lost by reason of the delay, or (b) Seller will be excused from performance and Buyer shall promptly, upon Seller’s request, pay Seller for any Offerings then completed (whether fully or partly completed).
23. **INSURANCE.** During the term of this Agreement, Buyer shall, at its own expense, maintain and carry insurance in full force and effect in amounts and types satisfactory to Seller. Upon Seller’s request, Buyer shall provide Seller with a certificate of insurance evidencing Buyer’s insurance coverage. Buyer shall provide Seller with thirty (30) days’ advance written notice in the event of a cancellation or material change in Buyer’s insurance policy. Under no circumstances will Seller be required to provide additional insured status to Buyer nor will Seller’s insurer be required to waive subrogation rights against Buyer or Buyer’s insurer. Seller will only be required to maintain insurance that is consistent with its own internal policies.
24. **NOTICES.** Any notice relating to this Agreement must be in writing and will be considered given within three (3) days after it is deposited, postage prepaid, with a registered mail service and addressed to the other party at the address given in this Agreement; or, if delivered by hand, when so delivered.
25. **ASSIGNMENT; DELEGATION.** Buyer may not assign, whether voluntarily or involuntarily, by merger, consolidation, dissolution, change of control, or otherwise this Agreement or any of Buyer’s rights hereunder nor delegate any of Buyer’s obligations under this Agreement without Seller’s written consent. Any purported assignment or delegation in violation of this Section will be void. Seller may assign this Agreement and any of Seller’s rights hereunder and delegate any of Seller’s obligations under this Agreement. If Seller assigns this Agreement or delegates any obligations under this Agreement (whether in whole or in part), Buyer shall, as relates to such part that was assigned or delegated, release Seller from all liability under this Agreement and hold the assignee solely responsible for performance of all such assigned or delegated obligations.
26. **APPLICABLE LAW.** The validity, construction, and enforcement of this Agreement is governed by and interpreted under the laws of the State of Wisconsin, including, without limitation, its provisions of the Uniform Commercial Code. The United Nations Convention on Contracts for the International Sales of Goods (CISG) does not apply to this Agreement. Any controversy or claim arising out of or in connection with this Agreement will be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on any award rendered by the arbitrators may be entered in any court having jurisdiction thereof. Any such arbitration will occur in Milwaukee, Wisconsin and will be conducted in the English language. Notwithstanding the foregoing, any claim by Seller for collection of unpaid amounts may be pursued through any available method and in any available venue without first proceeding to arbitration pursuant to this Section, including without limitation through litigation in the State or Federal courts located in the State of Wisconsin, and Buyer hereby irrevocably submits to the personal jurisdiction of such courts. Buyer shall pay Seller any collection fees and all attorneys’ fees incurred by Seller in enforcing this Agreement or defending against any claim for breach of this Agreement.
27. **AMENDMENT; WAIVER.** No amendment or modification of any term or condition will be valid or binding upon Seller unless approved by Seller in a writing hand-signed by Seller. Unless Seller expressly indicates otherwise in such hand-signed writing, such modification is effective only in that instance and only for the purpose for which it is made and is not to be construed as a modification on any future occasion or of any future order or agreement. Clerical and stenographic errors are subject to correction by Seller. No waiver by Seller of any of the terms of this Agreement is effective unless explicitly set forth in a writing signed by Seller. The failure of Seller to insist upon a strict performance of any term of this Agreement will not be considered as a continuing waiver of any such term or condition, or any other term or condition, or any of Seller’s rights. No failure to exercise, or delay in exercising, any right, remedy, power, or privilege arising from this Agreement operates, or may be construed, as a waiver thereof. No single or partial exercise of any right, remedy, power, or privilege hereunder precludes any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.
28. **SEVERABILITY.** If any term of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, such determination will not affect the remainder of this Agreement, which will remain in full force and effect.
29. **INDEPENDENT CONTRACTORS.** The relationship between the parties is that of independent contractors. Nothing contained in this Agreement may be construed as creating any agency, partnership, joint venture, or other form of joint enterprise, employment, or fiduciary relationship between the parties. No party has the authority to contract for or bind the other party in any manner whatsoever.
30. **NO THIRD-PARTY BENEFICIARIES.** This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns, and nothing herein, express or implied, is intended to or will confer upon any other person or entity any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.
