

Cuisipro.

CONNECTING FOOD, FAMILY & FRIENDS.

We believe that the table where you eat is also the table where you connect. Meal times bring us all together in a meaningful way. Cuisipro's practical design, reliable quality and clever innovation inspire us. Whether it's a family dinner, a casual coffee with neighbours or baking with the kids, Cuisipro can be part of preparing and serving the food you love. Food, family and friends – that is what life's all about.

Surface Glide Technology™ Graters

Exclusive to Cuisipro, Surface Glide Technology™ grooved grating surface takes etched graters to the next level. Surface Glide Technology™ graters create the perfect balance between ease of grating and maximum efficiency for the ultimate grating experience that etched graters alone cannot compete with.

The science behind this technology is based on the repeated grooved pattern that is spread evenly across the face of the grating surface. First, the groove reduces resistance, making grating effortless. Second, the groove elongates the length of each individual blade, so it has a larger cutting surface that comes in contact with food, therefore, grating more with less effort.

European Pat No. 2 338 395, USA Pat No. 8 448 887.

Superfine

Ideal for cinnamon, nutmeg and chocolate for decorating your dessert and garnishing cappuccinos.

Fine

Perfect to create a fine, silky texture with dry or moist ingredients, such as citrus, hard cheese or ginger.

Coarse

Ideal for most cheeses and vegetables including carrots or ginger. The texture is more varied among ingredients than with a fine grate.

Ultra-Coarse

Ideal when you want to highlight the taste of an individual ingredient such as cheddar cheese in a wrap or carrots on a salad.

Starburst

The ideal blade creates a fine mist of powdery Parmesan cheese to cover your favourite foods, from appetizers and soups to pastas and salads.

Julienne Slicer

Easily create long, thin, restaurant-style strips for garnishing your dishes.

Shavers

The shavings take on their own characteristics with individual texture of ingredients making an immediate impression.

4-Sided Box Grater

Kitchen Grips®

*Protect your hands from hot & cold temperatures
500°F / 260°C to -134°F / 92°C*

Since 1985, Kitchen Grips Inc. has been manufacturing award-winning textiles. For over thirty years, their cutting-edge products and designs have been changing the way the world cooks, using innovative technology. Kitchen Grips Inc. offers a unique line of kitchen gloves and hand safety products made of FLXaPrene™. This material is not only heat and stain-resistant, but is flexible and comfortable to use. Forward thinking has led Kitchen Grips® to continuously develop and improve their products and selection. From creating different sizes to designing extendable mitts, Kitchen Grips® will continue to produce the highest-quality products and advance in new directions.

Flexible

FLXaPrene™ material is soft and pliable, making it very comfortable to use.

Increased Insulation

Raised nub surface texture creates more insulation between the hand and the heat source.

Stain-Resistant

Stains wash off unique FLXaPrene™ material with ease.

Non-Slip Grip

Raised nub surface pattern is engineered to provide a better, safer, non-slip grip.

Dishwasher Safe

Easy to clean. Simply place on the top shelf of the dishwasher.

Water-Repellent

Protects hands from steam and liquid burns, even when wet.

Dexterity

Easily pick up small items.

Hygienic FLXaPrene™ Material

FLXaPrene™ material prevents stains that cause bacteria buildup on the glove.

*Kevlar® stitching has a
high heat-resistance*

*Nubbed texture enhances
non-slip qualities*

Warranty

We're Always Here For You

Cuisipro products are designed to deliver high quality, exceptional function and creative design.

All Cuisipro items offer a limited lifetime warranty against manufacturer's defects from the date of purchase. Cuisipro guarantees to repair or replace any item found defective in material, construction or workmanship under normal use and following care instructions. This excludes damage caused by accident, misuse, abuse or improper usage. Minor imperfections and slight color variations are normal. This warranty will be void if the product(s) fails due to misuse or noncompliance of the general use and care. This warranty is made only to the original purchaser.

Exceptions to this limited lifetime warranty includes the items listed below.

Electronic Items: 1 year warranty

If your product is faulty or defective from the date of purchase, Cuisipro will repair or replace (at our discretion) the item at no additional charge with an equal item or the latest version of the item purchased with proof of purchase. Efforts will be made to replace the item with a similar item currently in production. Cuisipro does not warrant that an identical replacement item will always be available for a defective product.
